Seems like a reasonable approach to me especially if USDA given a heads up.

Thanks, Mary

Sandra's last sentence gives me the impression that they do not have a date identified for providing the letter.

Good Morning All.

Daria,

As per our conversation yesterday, Mr. Crawford sent the email out after that conversation. I'm not sure if any of you received the email as I just noticed that I have not received it either. Outlook has been giving our entire office issues all day yesterday. It appears we were receiving emails but our emails are/were not being sent.

The email indicated that we would not meet the COB deadline yesterday because we were having our draft reviewed and will provide the suggested changes to you after review.

Hi Sandra,

Can you send everyone an update on the status of the acceptance letters?

Thank you.
